WHO WE ARE

We are the fifth world center of the renowned school of the famous athlete and freediver Umberto Pelizzari.

We create different experiences and adventures with a multitude of activities, such as snorkeling in the bay, discover scuba diving kayaking, paddle surfing, surfing, paragliding, many types of special boat excursions, and of course our wonderful diving center and apnea unique in the Canary Islands.

As lovers of the sea, we approach people of all ages and conditions to the aquatic environment, for their enjoyment. We are located on the Island of Tenerife, in Adeje, specifically in La Caleta de Adeje, a natural and unbeatable enclave to enjoy the sea and with the best sports facilities near us. We have a constant climate throughout the year of "eternal spring".

THE TEAM

**PACO
GONZALEZ**

After completing his studies in marine biology and dedicating himself many years to the sea he opened, together with the city of Adeje, Apnea Academy West Europe, the only center in the Canary Islands where, with his 25 years of experience and 10 participated freediving world championship, all the professionalism and quality of service are offered to the people when visiting this special site. He is Umberto Pelizzari Manager and Delegate in Europe, and Director of the Adeje Aquatic School

**UMBERTO
PELIZZARI**

The famous man of the sea, in 2012 decided to create the 5 center of his famous school in Costa Adeje, Tenerife. He was the first man in the world who reach a depth of 150 meters in apnea, apart from other world freediving records. In 1995 he created the largest school for teaching freediving activities in the world: Apnea Academy

THE TEAM

GIORGIA GOBBI

Scuba Diver and freediver. Responsible for the international marketing area and adviser for group and activities. Also with great judgment is in charge of social media.

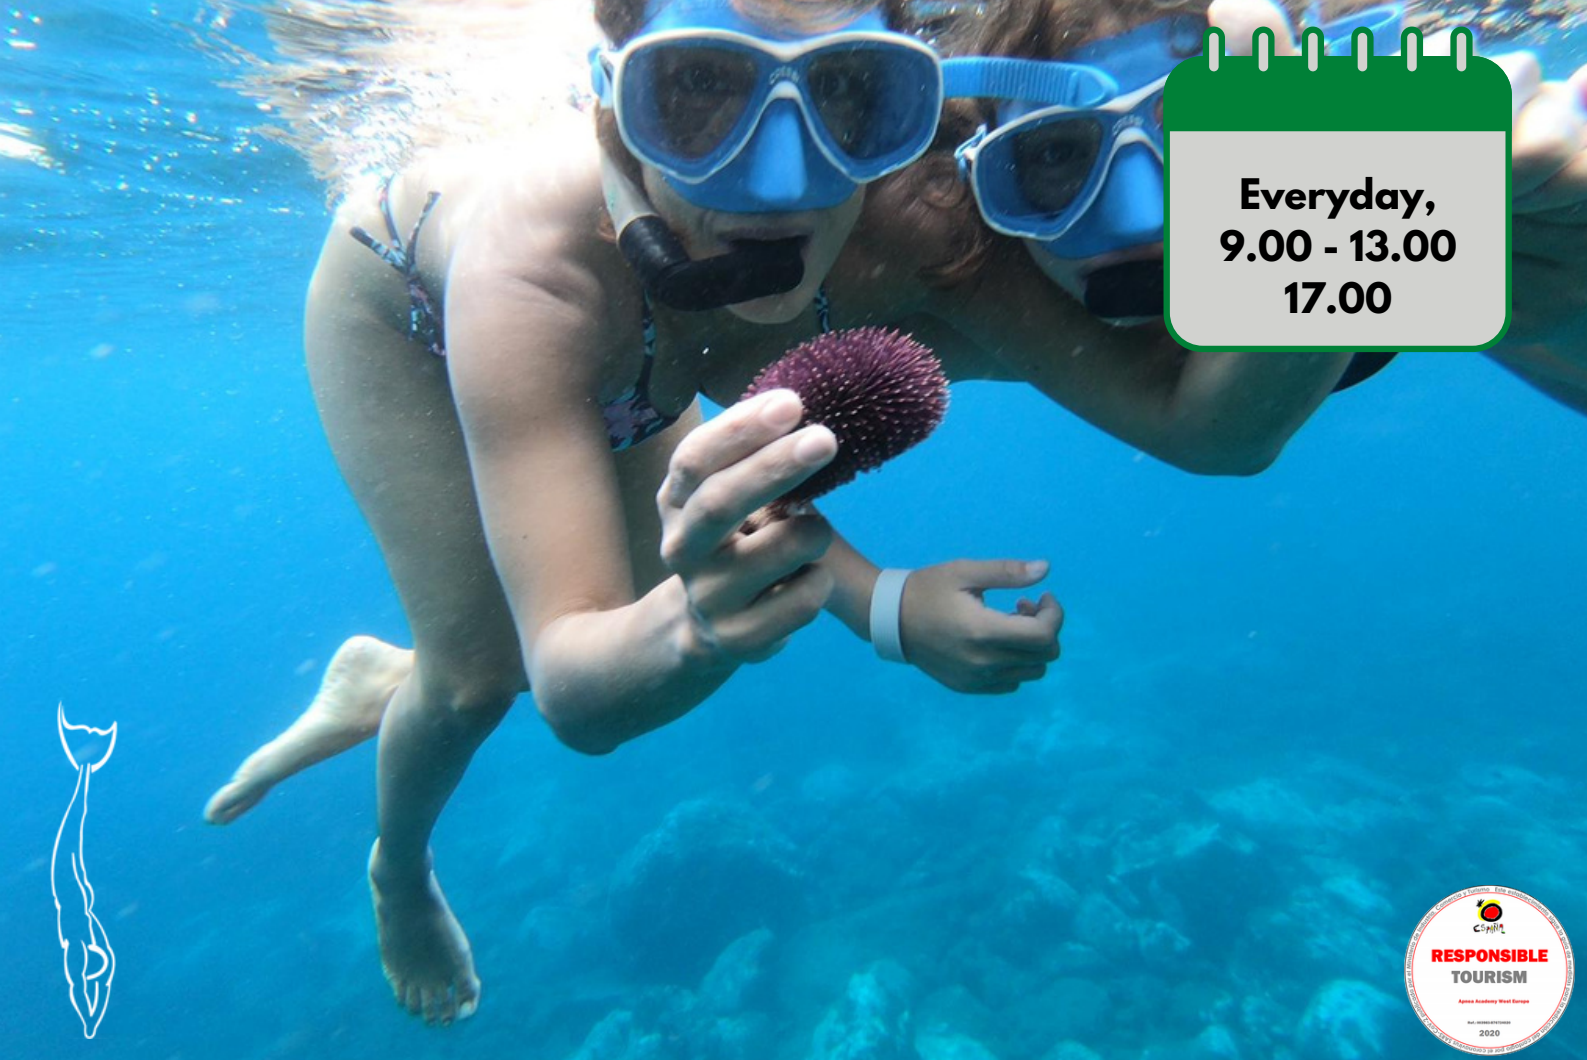

FERNANDO RODRIGUEZ DE AZERO

Passionate about extreme sports, professional skydiver. Personal trainer, scuba diver and freediver. The sea has always been his passion and now he manages this activity center.

An aerial photograph of a white inflatable boat on the ocean. Inside the boat, several people are visible, including one in a blue wetsuit leaning over the side. Various diving equipment like fins and masks are scattered on the boat's floor. In the water around the boat, three divers in black wetsuits are swimming. The water is a deep blue with visible ripples. The text "OUR ACTIVITIES" is overlaid in large white letters.

OUR ACTIVITIES

**Everyday,
9.00 - 13.00
17.00**

"AQUATIC WALK" IN PROTECTED NATURAL COVE

~ 1.5 hours **€ 35**

This experience, that we call "aquatic kick" is an interactive snorkeling excursion in the protected bay of La Caleta, where our biologist and instructor will get in, with a group of max 5 person and minimum 2, stopping every so often taking a photo of what you see underwater, discussing the photos with the group on the surface and thus they will be able to recognize the natural aquarium that exists in La Caleta de Adeje

The price includes: 5 photos* - suit, mask, snorkel and fins - insurance - professional guidance with a marine biologist

*price of the complete photographic report and videos on request

A photograph of three divers in a blue underwater environment. They are holding hands and looking towards the camera. Bubbles are visible around them. The diver on the right is wearing a BUDICO wetsuit.

A simple white outline map of Spain on a blue background.

DISCOVER SCUBA DIVING IN A NATURAL PROTECTED AREA

~ 2 hours, includes theory and practice **€ 55**

The purpose of a try dive is to discover in a fast and controlled way the wonderful world that awaits us under the sea. This activity is carried out in a very controlled way. From the hand of an instructor, you will make a complete immersion enjoying all the marine life, and the contact with the water with total safety and comfort. It is also often an option chosen by many who want to give a gift to someone who is curious to discover what diving is, before deciding to take a course itself.

If later you want to do a diving course with us, those 55 € will be deducted from the price of the course.

**Everyday,
9.00 - 13.00**

BOAT EXCURSION LAVA TONGUE SNORKELING

~ 1.5 hours **€ 47**

In this excursion, unique in the Canary Islands, you will see how the underwater volcanic activity made incredible shapes of stone. We'll stand in several lava tongues where you'll go down and make snorkel. The instructor will take photos and video, and take away a beautiful memory of how the volcano has penetrated the sea and created incredibly wonderful shapes.

The price includes: 5 photos* - suit, mask, snorkel and fins - insurance - professional guidance with a marine biologist

*price of the complete photographic report and videos on request

**Everyday,
7.00**

SUNRISE BY BOAT

~ 1.5 hours **€ 55**

This experience will allow you to discover the thousands of hues offered by the sky and the sea when the night comes to an end and the morning lights begin.

The smell and sound of the sea, together with the sensation of fresh air on your skin and sea salt on your lips, will activate all your senses simultaneously, providing you with a relaxation that is hard to beat.

We offer coffee service with pastries and blankets so that the feeling of comfort is full.

TEAM BUILDING FOR COMPANIES

Our Team Building programs are developed in the heart of nature, and are aimed at achieving a high impact on the skills and results of work teams. Teamwork implies individual growth. It is not easy to learn how to team up with other people, but it is the most effective and satisfying way to carry out any type of work. Companies must achieve, through Team Building and activities, that workers feel that they are part of a gear, where everyone moves with the same objective, and where the movement of one initiates the movement of the next.
